Dear Chamber Member:

I am writing to share that I will be stepping away from my role as Executive Director for the Old Orchard Beach Chamber of Commerce at the end of October. I am doing so to begin a new chapter in Florida where my husband and I will be closer to family. I assure you that between now and the Fall that I will continue to work diligently on your behalf to provide you with the standard of service you expect as a member of our Chamber. In addition, I will be available before my departure to assist the new Executive Director with the transition.

The Chamber has recently established a Search Committee of five board members to hire my replacement. Each of them are committed to the task and understand the importance of this search for the Chamber, our membership and the community. This week the committee will be posting the job opening on a variety of job sites. In addition, the job posting will be shared with the Maine Association of Chamber of Commerce Executives and the Maine State Chamber. Your voice is important, too! Please share this information with anyone you may consider to be a strong candidate and direct them to oobexecutivedirectorsearch@gmail.com to apply for the position.

On a more personal note, I would like you to know that it has been my honor and privilege to serve as both an Old Orchard Beach Chamber of Commerce Board Member (1996–2007) and as your Executive Director (2015–2019). I have always had a passion for and vested interest in seeing all businesses grow and thrive in our unique and wonderful tourist community and hope that in some small way that I have made a difference for you. I will truly miss all of you and wish you much success now and in the future!

Warmest regards,

Kim Verreault – Executive Director
